Dear Church Leader,

Thank you for taking the time to read this! We know your time is very valuable!

Women of Whatcom consists of a group of women leaders from various churches within Whatcom County. The *purpose* of our organization is to create opportunities to gather and connect Christian women from Whatcom County and surrounding areas with other women on the same journey in Christ. Our desired objective is to encourage women from all walks of Christian faith to worship God and be challenged to take their walk with Christ to a higher level.

Our *Vision* is to offer conferences for women to **Encourage, Empower, Equip** and **Enrich** them in their faith and journeys of life.

A WOW Event is approaching quickly! This will be the fifth year that Women of Whatcom has presented an exciting women's conference. Each year we have had women from over 100 local churches participate. Women from your church most likely have attended one or more of these annual conferences.

We are excited to be presenting Dr. Lori Salierno for the second time as a WOW speaker on **Friday, October 17<sup>th</sup> at Cornwall Church** in Bellingham. Enclosed you will find our current flyers and posters regarding this event. Each year, after the conference, we have heard from women who say, "I wish I had heard about the conference, I would have come!" You can help us change that. We would love nothing more than to see the women of Whatcom County join together in unity for the purpose of fellowship and teaching from God's Word!

We are also thrilled to announce that Anita Renfroe will be speaking at our spring WOW event!

Would you please consider sharing this event information with the women of your congregation?

Bonnie Dick
